Tiger Infrastructure Announces the Closing of its Investment in Hudson Fiber Network

New York, NY (February 17, 2015) – Tiger Infrastructure Partners (“Tiger”) today announced the closing of its acquisition of a majority interest in Hudson Fiber Network (“HFN” or the “Company”). The transaction had been awaiting customary regulatory approval.

“HFN has demonstrated an impressive ability to produce consistent high growth. We are excited to help continue the expansion of the network,” said Emil Henry, managing partner of Tiger.

“Working with Tiger will allow us to execute on many strategic initiatives,” added Brett Diamond, CEO of HFN. Founder and COO, Keith Muller added, “We believe this partnership will allow us to better support our customers and accelerate the growth of our business.”

Q Advisors LLC, a Denver and San Francisco boutique investment bank, acted as exclusive financial advisor to Hudson Fiber Network. Additionally, Perkins Coie LLP and Lowenstein Sandler LLP served as legal advisors to Hudson Fiber Network and Tiger Infrastructure Partners respectively.

About Hudson Fiber Network

Hudson Fiber Network is the premier data transport provider, offering flexible, high bandwidth transport and purpose-built, private networking solutions for financial, carrier and enterprise clients. The Company’s unique fiber network connects points of presence in key colocation hubs throughout the U.S., Canada and Asia. The HFN suite of solutions helps clients increase network efficiency and lower overall networking expenditures.

Services include Gigabit Ethernet, optical wave solutions and IP connectivity (10MN through 100 Gig), and are delivered in and between key U.S. and global metropolitan markets. HFN was established in 2002 and is headquartered in Paramus, New Jersey. For more information, visit www.hudsonfiber.com.

About Tiger Infrastructure Partners

Tiger Infrastructure Partners is an independent private equity firm focused on investments in middle-market infrastructure assets and businesses in North America and Europe. Tiger Infrastructure targets investments in the power, renewable energy, natural resources infrastructure, waste management, water, transportation, communications, and related sectors. Tiger Management L.L.C. and members of the Ziff family are significant investors in Tiger Infrastructure.
